

Teen Volunteer Application

MooreKids is a local non-profit organization that works in our community to assist Moorestown's under-served youth in accessing sports and extracurricular activities. We believe that all children should have the opportunity to participate in an activity that allows children to connect to other children, learn and develop a new skill, and be a source of excitement, joy and pride for that child, regardless of economic status. In addition, MooreKids provides gently used clothing to families in crisis, and donates school supplies and breakfast snacks through the MTPS schools. A strong sense of community is a special characteristic of Moorestown, and your participation in town-wide events provides an opportunity to spread the mission of MooreKids and allow people to see and interact with volunteers who may otherwise be relatively behind the scenes.

Thank you for your interest in serving your community and being a MooreKids volunteer.
